SERVICE COORDINATION

ROLE

BILLING

- ✚ When your service coordinator completes various tasks on your behalf such as making phone calls, writing letters, completing the annual service plan and quarterly reviews, the service coordinator bills MO HealthNet
- ✚ You will receive a quarterly MO HealthNet printout. This document will show all charges billed and the time your service coordinator dedicated in helping you

CONFLICT OF INTEREST

- ✚ Staff must request permission from the program director to enter into a business arrangement with an individual or their family
- ✚ Business arrangements could include loans, borrowing money, co-signing for credit, purchasing contracts, or holding money or property that belongs to you unless legally authorized by a court

QUALIFICATIONS

- ✚ The service coordination program follows standards set forth by State and Federal funding regarding staff qualifications
- ✚ All service coordinators have a bachelor's degree with a minimum of one year field experience

RESOLUTION STRATEGIES

HOW TO REQUEST A DIFFERENT SERVICE COORDINATOR

- ✚ In the beginning, we will assign a service coordinator we think you will like. Most of the time this works well. However, if you would like to request a different service coordinator, please contact the supervisor of service coordination services in your area. The contact information for the supervisors can be found on the first page of this manual.

VOICING PROBLEMS AND/OR COMPLAINTS

- ✚ First, contact your current service coordinator to discuss the problem or issue
- ✚ If the problem is unable to be resolved with your service coordinator's assistance, then you will contact the supervisor of the service coordinator in your area. The supervisor's contact information can be found on the first page of this manual
- ✚ You may request a meeting with a supervisor where the complaint will be discussed. You will then receive a written decision from the supervisor within five (5) working days
- ✚ If the problem persists, you may appeal the decision in writing to the program manager. The program manager will issue a written decision within five (5) working days, after consultation with both parties. This process will be reviewed by the Program Director, Linda Holland, and the Executive Director and CEO, David Kramer, if you feel your concerns are not being met
- ✚ At your request, complaints will remain anonymous

ABUSE AND NEGLECT COMPLAINTS

- ✚ CHS shall report abuse and neglect as mandated by law
- ✚ If you have a complaint of abuse, neglect, misuse of funds or violation, or limitation of rights, you or an authorized individual may contact one of the following entities:
 - Service Coordinator
 - Supervisor
 - Program Director of Service Coordination (Linda Holland)
 - Regional Office for your area
 - Department of Mental Health's consumer rights monitor (Constituent Services) at 800-364-9687 or TTY 573-526-1201 for assistance

WAIVERED SERVICES

COST OF SERVICES

- ✚ Individuals who have been determined eligible and referred by the Regional Offices, under the direction of the Department of Mental Health, Division of DD, are **required** to complete the Standard Means Test Financial Questionnaire (completed during the intake process)
 - The Standard Means Test determines if an individual or financially responsible party has the ability to pay the full or partial cost of services provided by or purchased by the Department of Mental Health. This includes service coordination or other direct support services such as personal assistance, day services, transportation, etc.
- ✚ Along with completing this test, you will need to provide a copy of the individual's or parents' income tax return for anyone who does not receive Medicaid benefits.
